More info can be found on the Grace website under GraceKids.

Great Traffic News Grace will be retaining off duty Howard County uniformed officers to assist with traffic control after both Sunday Services. This arrangement should decrease the time it takes to exit the Grace parking lot while our devoted traffic team continues to help facilitate traffic safely on the property.
Please remember that when departing from Grace and approaching the traffic circle, you can turn right onto East Bound Rt. 216 from BOTH lanes.
We are so grateful for your patience with traffic over the years and hope these measures will help.
